HarperCollins Publishers, United Kingdom, 2015. Paperback. Condition: New. Language: English. Brand new Book. Swapping downstairs for upstairs. How hard can it be!? Look up the phrase ordinary girl and you'll see a picture of me, Gemma Goodwin - I only look half-decent after applying the entire contents of my make-up bag, and my dating track-record includes a man who treated me to dinner at a kebab shop. No joke! The only extraordinary thing about me is that I look EXACTLY like my BFF, Abbey Croxley. Oh, and that for reasons I can't explain, I've agreed to swap identities and pretend to be her to star in the TV show about her aristocratic family's country estate, Million Dollar Mansion. So now it's not just my tan I'm faking - it's Kate Middleton style demure hemlines and lady-like manners too. And amongst the hundreds of fusty etiquette rules I'm trying to cram into my head, there are two I really must remember; 1) No-one can ever find out that I'm just Gemma, who'd be more at home in the servants quarters. And 2) There can be absolutely no flirting with Abbey's dishy but buttoned-up cousin, Lord Edward. Aaargh, this is going to be harder than I thought. Praise for Samantha Tonge 'I was hooked from the start, by this impressive debut novel' - Chicklit Club 'This really was a humorous read, Gemma is such a witty character who always seems to get herself into mischief, I never expected this book to be a witty read but it was the humour that kept me hooked.' - Rea Book Reviews 'Samantha Tonge has taken an every-day girl and stuck her in this crumbling manor where she has to pretend to be her best friend and help win a reality TV program. She takes all our...
